

Centre 4K Program

Centre 4K programming is not just about academic readiness but social, emotional, and physical readiness as well. The days are broken into sessions where the children will participate in different learning activities that follow the 4K curriculum. The Centre focuses on the whole child and we actively involve the entire family.

We offer an afternoon Wrap Around program as well as Fantastic Fridays for those families needing additional care. We are unique in offering special enrichment components that include swimming in our zero-depth entry pool, swim lessons, fitness, art, music and movement, use of a Smart Board, 6000 square foot gymnasium, and outdoor playground.

Please contact the New Richmond School District to receive detailed information on the 4K program.
