

GAP Before and After School Program

The mission of the GAP program is to provide students with an inclusive before or after school program that is safe and nurturing in a fun and comfortable environment and an enriching program that promotes the physical, intellectual, emotional, and social development of each child.

Your child will have the opportunity to have a snack, do their homework, try new activities, and make friends. Our curriculum promotes academic enhancement, creative play, and health and fitness opportunities. Our staff is dedicated to providing the best possible care for your children.

At the Centre, character development and values are a part of who we are. We reinforce the values you teach at home.
