

“Our purpose is deeper,
people helping people.

We are fortunate to live in a caring community.”

Join us as we begin our 11th Annual Helping Hands Campaign. This year has been challenging and left many without. Your gift can help us give people the opportunity to enjoy programs that benefit social, emotional, and physical health. Help us in the most important way possible, by supporting people.

Helping Hands Campaign Goal: \$30,000

Your dollars at work supporting your fellow community members:

\$52 (\$4.40/month)

Each day the lobby is filled with laughter from seniors who gather for camaraderie and fellowship after classes. Help us continue to provide new physical and social programs and activities at the Centre for seniors, especially those isolated due to the pandemic.

\$90 (\$7.50/month)

Help support Youth Character Initiative (YCI) which provides a full day summer program, allowing families to work and support their family while their teens participate in local service projects and learn leadership skills.

\$135 (\$11.25/month)

When school is out for the summer, middle school students still need a fun, safe place to connect with adults, swim, workout, and have fun. We are committed to youth development all year long.

\$252 (\$21.00/month)

Now, maybe more than ever, single parent families can use the support by way of a year of membership. Through our Centre Cares program we provide over \$50,000 each year in scholarships for individuals and families in our community.

\$500 (\$41.70/month)

The ultimate gift is to be able to support all of the above! Your gift of \$500 or more can and will positively impact dozens of lives. Help us in the most important way possible by supporting PEOPLE.

Please note that the Centre is a non-profit 501c3 organization. Your donation is fully tax deductible under IRS and Wisconsin tax regulations when itemizing deductions.
