

3 Year Old Preschool Program

The Centre 3 Year Old Preschool program offers a distinctive learning experience in a safe and nurturing environment. Our qualified teachers help guide children in the development of socialization, learning, and preparing for school success. Our program offers children the opportunity to use our swimming pool and gymnasium as we work to develop the whole child through our mission of health, fitness, and fun for all ages. This is a great opportunity for parents to utilize the Centre as well. Our program is licensed by the State of Wisconsin. An enriching experience awaits your 3 year old at the Centre!
