

## Our Mission

Providing quality, affordable care for your children isn't just a business to us. It's a vital part of our commitment to the community. It's an approach that includes unique programs to make sure kids stay intellectually, socially, emotionally and physically motivated.

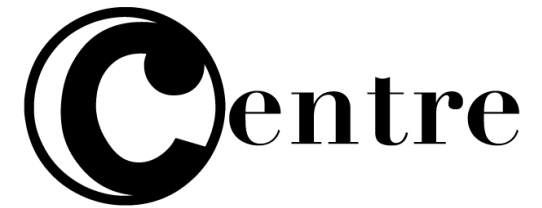

At the Centre, character development and values are a part of who we are. We reinforce the values you teach at home.

Through our mission to provide Health, Fitness and Fun for All Ages, the New Richmond Area Centre will be around to provide a great place for your child to grow now and through adulthood.

## Financial Assistance

The Centre welcomes everyone who wishes to participate in programs and activities at the Centre. We are committed to making that possible and provide financial assistance through our Centre Cares program. Please let us know if we may serve you or your family in this way.
