

WE NEED YOUR TALENT!

The New Richmond Area Centre was founded in January 2009 by a group of volunteers who were of the community. Today, their vision and a new tradition begins at the Centre with volunteers giving their time and talent to our community.

The Centre encourages people of all ages to become part of the volunteer team.

There are many opportunities to work with children, or utilize your own special talent to create a better community for everyone. Stop at the front desk to get started. We need you!

Volunteer Opportunities are available but not limited to the following areas:

- Preschool Programming
- Family Events
- Drop-In Child Care
- School Age Child Care
- Teen Programs
- Youth Sports
- Senior Programs
- Birthday Parties
- Aquatics
- Fitness
- Fundraising
- Office Support
- Art Design
- Advertising/Newspaper Release
- Volunteer Committees

Whether your skill fits the above areas or not, please contact us. We have many opportunities available.

For more information on volunteer opportunities call Darian Blattner, Centre Director at 246-2252 or via e-mail at dblattner@nrcentre.com.

Yes, I am interested in volunteering at the Centre.
