## Design Your Own Party

Start with the Birthday Party Basics. You will receive two hours of fun at the Centre. One hour will be spent celebrating in the party room, and the second hour will be filled with splashes of fun in the pool. The Centre will provide plates, napkins, cups, forks, and balloons. From this point you can add other exciting activities and items to be included in the party. Want more time in the pool or time in the castle jumper? Add it to the Birthday Party Basics. Save some time with the convenience of having cake, ice cream, pizza, and pop provided for the party goers. Make sure to include goodies for the party participants through a piñata, cotton candy, and popcorn.

The Centre is excited to have Messes and Masterpieces come in to bring some extra fun to your party! Each child will create a

masterpiece to take home using a wide variety of materials—and we clean up the mess! There are five themes to choose from!

### Drop In Birthday Party Policy

A party reservation is required to have a birthday party at The Centre. If you do not have a party reservation you are welcome to stay and play, however, the following items must be left at home or in your vehicle: gifts, party favors, cake or cupcakes, decorations, and any other party accessories (including paper products & table cloths).

Thank you for your cooperation!
